KEIM Optil – the natural choice

Keim Optil - a premium quality sol/silicate paint specifically formulated for elegant interior applications, giving intense lightfast colour shades.

Keim Optil - the mineral based solution for a creative first class interior finish.

Keim Optil - bold and expressive colour shades within a co-ordinated range of lightfast, mineral based colours.

Keim Optil - the combination of brilliant luminous colour and matt finish that only mineral paints can achieve.

Keim Optil - mineral paints but not as we know them. Unique colours and uncompromising quality: the perfect combination of appearance, breathability, environmental sustainability, healthy living and long lasting quality.

Keim Optil - suitable for any mineral substrate and for applying over sound existing paint layers.

KEIM Optil – the professional choice

Keim Optil - cutting edge quality in sol/silicate finishes. Suitable for all mineral and previously painted substrates and easily applied, with long open time, outstanding coverage and low consumption rates.

Keim Optil - meets the professional decorator's needs. Areas may be occupied immediately following application of Keim Optil.

Keim Optil - highly vapour permeable with no added preservatives, solvents or plasticisers.

Keim Optil - provides a healthy indoor climate and actively protects the environment. Equipment can simply be cleaned using water.

Keim Optil - the premium interior paint to meet the requirements of modern and historic architectural design, combining mineral quality with an attractive, consistent finish.
